### Volunteer Application

#### **A brief introduction to The Depot:**

The Depot, Jordan Valley Teen Center, is a Christian faith-based ministry that will provide youth in East Jordan with a safe place to be, where their needs will be met through Christ-like love. It will be open after school during the week and will be a place where youth can socialize, play games, work on homework and be mentored by caring adult volunteers. Our goal is to help these young people become connected, responsible, confident, equipped and prepared young adults. We believe that all of these traits are made more complete when they choose to follow Jesus.

The Depot is located in the Community Center down town East Jordan and is a faith based 501(C)(3) non-profit corporation.
